REMARKS

Claims 14, 16-20, 57-58, 60, 65 and 78-81, 83-85, 87-92 are pending, of which Claims 14, 57, 91 and 92 are independent. Claims 91 and 92 have been withdrawn from consideration, and are canceled by the present amendment without prejudice. Applicant reserves the right to file the canceled claims in a related application. Claims 14, 16-20, 57-58, 60, 65, 78-81, 85 and 89-90 have been rejected under 35 U.S.C. §102(b) as being anticipated by Polnerow et al. (U.S. Patent No. 5,813,006). Claims 82-84, and 86-88 have been objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Applicant thanks the Examiner for the indication of allowability of these claims.

Claim Amendments

To expedite allowance, independent Claims 14 and 57 are amended to include the limitations set forth in the allowed dependent Claims 82 and 86, respectively, including the limitations of any intervening claims. Thus, Claims 82 and 86 are canceled by the present amendment. Claims 14, 57, and 78 are amended to provide proper antecedent basis. Specifically, Claims 14 and 57 are amended to properly provide antecedent basis for "the requested URL address." Claim 57 is amended to properly introduce the "storing geographically verified URL addresses" limitation. Claim 78 is amended to properly provide antecedent basis for "the searchable index," which was introduced in independent Claim 14. In addition, Claims 57 and 89 are amended to fix typographical errors. Specifically, the claim term "business" is amended in Claims 57 and 89, respectively, to properly recite its plural form of "businesses." Acceptance and allowance are respectfully requested.
